

## BGL BNP Paribas, your financial partner in Luxembourg

BGL BNP Paribas is one of the largest banks in the Grand Duchy of Luxembourg, with a balance sheet totalling EUR 52.8 billion at 30 June 2009. Now a leader on its domestic market, it offers an especially wide range of financial products to individuals, professionals, private banking clients and businesses. BGL BNP Paribas is Luxembourg's number-one provider of banking services to professionals and small- and medium-size companies, and number two in services for individuals. It is also the leader for bancassurance.

### **Our Private Banking business**

Within the BGL BNP Paribas Private Banking business, we are committed to offering customized solutions to match the financial planning needs to our individual clients, their families and businesses.

#### **A personalized approach**

Each individual is unique and so is each property. A personalized approach is thus important to take into account all your interests and your requirements.

Drawing on our experience as a Private Bank in Luxembourg, we offer:

- a discreet and professional welcome upon your visit
- a customized service provided by a dedicated wealth adviser accessible in different languages
- an in-depth analysis of the assets and needs leading to a tailor-made investment proposal
- a close monitoring and dynamic management of the portfolio
- a state-of-the-art online banking with value-added services.

#### **Global Wealth Management**

Our comprehensive approach to the assets and financial position of our clients is organised around five key competencies to create an exact match with their needs and aspirations: investments, structuring and asset optimization, financing, insurance and real estate.

We offer:

- different types of portfolio management tailored to our clients' needs and investor profile. Our asset managers constantly monitor the markets, identify investment opportunities and make appropriate changes in the portfolios
  - comprehensive services in international tax structuring and long-term estate planning for our clients, their businesses and families – using numerous structuring advantages existing in Luxembourg
  - financing solutions to meet specific needs of our clients, e.g. to cover liquidity needs, to generate a leverage effect on an existing portfolio, to acquire and finance real estate
  - numerous investment opportunities in real estate and
- we assist our clients, willing to become residents of Luxembourg.
